You can check the list of Loro Piana stores at the following [link](#).

Each item can be returned only once, within 30 days from the date of delivery of the Products. The right of return is excluded if the Products belong to one of the following categories of Excluded Products: 1) Personalized Products; 2) sealed Products that are not suitable for return for health protection and hygiene reasons (underwear, swimsuits, socks, lingerie, sleep masks, face masks, candles, etc.) and that have not been unsealed after delivery or if the hygiene label is no longer in place; 3) Products with the "Claim the ownership certificate".

It is not possible to request an exchange of Products purchased online with in-store products. In this case you will need to complete the return of the Products and make a new in-store purchase. This procedure is free of charge and can be done through the following steps:

1. Bring the Products, in their original, new, unaltered, unused condition and with all the tags and labels attached, in their original packaging along with the Delivery Receipt and e-invoice or e-receipt that you received in the original shipment to a Loro Piana Store that accepts returns (<https://fr.loropiana.com/en/drop-off-in-store>);

2. A store representative will ascertain that the Products you want to return are compliant with your Order and that they are in acceptable conditions, new, unaltered, unused and with all the tags and labels attached. If these conditions are met, the store representative will initiate the return procedure by generating a return request through the customer service on your behalf. This first control does not guarantee the return acceptance that has to be confirmed during the quality control step (see step 4);
3. An email confirming your request for return will be sent to you and the store representative will ask you to sign the drop off of the parcel;
4. The store representative will prepare the package to be shipped to the central warehouse, where final quality control will take place for final acceptance or non-acceptance of the return request.

Subsequent to acceptance of the return by us, a refund will be made through the payment method used for the original purchase. We will credit such refund within approximately thirty (30) days from the date that we receive the returned Products, save for possible delays of technical nature not attributable to us (e.g. malfunctions of the credit/debit card system).

In cases where the Products appear to be worn or used, are missing any of the labels or tags, do not comply with our Terms of Sale, or in cases when we have any reason to believe that the products are counterfeit or were not purchased directly on our Website, we will not be able to accept the return and we will return the original Products to your elected location at our own expense.

10. ALTERATIONS

The alteration service offers size fitting to customers. For instance, hem the pants leg, bring in the waist or shorten jacket sleeves can be considered illustrative examples of alterations.

Any adjustment of the original product design is not considered an alteration (e.g. shortening of sleeves to a three-quarter length or modifying a neckline).

In the same way, product personalization and repair are not considered an alteration.

You can bring any Ready-to-Wear Products you have purchased online in one of Loro Piana directly operated stores located in the country where the Products were shipped for basic alterations.

Alterations are provided free of charge within six (6) months after the Products are purchased. Please bring a copy of the Delivery Receipt, as well as the Products to be altered. The timing of alterations depends on the services requested, the number of Products to be altered, and the availability of the staff at each store.

Please contact the customer service to get the list of the Loro Piana directly operated stores located in the country where the Products were shipped.
